SERVICES AVAILABLE TO EXHIBITORS

PROMOTE brings together more than 1,200 companies and their managers, mainly from Cameroon, but also from all continents, which gives it its international character. PROMOTE welcomes more than 100,000 professional and general public visitors. It is the largest economic meeting in Central Africa, recognized for the numerous business opportunities and partnerships it offers. We invite you to accompany your exhibition space by organising Conferences - Debates, making Business Appointments, participating in the Thematic Apéros, the visit of Economic Missions, the Citizen Solidarity Action in favour of SMEs, the conclusion of Partnerships à la carte with the mandated Organiser.

CONFERENCES

You can book a room of your choice within the framework of PROMOTE 2024 to organise a Conference, a Workshop, a Debate, a Presentation or a Forum. The room rental package includes only the room and its furniture. The rental periods range from half a day to a full day. Half day is from 09:00 to 13:00 and from 15:00 to 19:00. Visit our website www.salonpromote.org to find out more about our rates.

We want to organise a conference in PROMOTE.

BUSINESS MEETINGS

We organize, in advance, your professional and business meetings according to your expressed needs in order to prepare the beginning of essential partnerships for the growth of your company. Each Exhibitor benefits from three (03) Business Meetings offered and then pays the sum of **XAF 20,000** for any additional Meeting requested by him. Confirmed appointments can be held at a location agreed by both parties.

We are interested in pre-arranged business meetings.

THEMATIC APÉRITIVES

The Apéros Thématiques are daily networking events which take place from 12:00 to 13:30 in the Salon des Rencontres between 150 to 200 managers and executives of companies active in the sectors whose themes are on the day's agenda. These Thematic Apéros are led by a panel of experts whose presentations are followed by a question and answer session with all the participants. The intense networking phase around an adapted buffet closes the timed format of each Thematic Apéro. A participation fee is required for each theme. We are interested in taking part in the Thematic Apéro.

ECONOMIC MISSIONS

Les Missions Economiques sont les bienvenues à PROMOTE 2024 pour élargir leurs champs de contacts pendant leur séjour au Cameroun. Chaque Mission Economique bénéficie d'un espace de rencontres aménagé sur le site (mobilier, connexion internet, sécurité,...) à des conditions négociées. Chaque membre de la Mission Economique s'acquitte, par ailleurs, d'une participation forfaitaire lui donnant droit à un accès gratuit à 03 Apéros Thématiques.

We are interested in bringing an economic mission

CITIZEN SOLIDARITY ACTION IN FAVOUR OF SMES

The Citizen Action of Solidarity is a programme of monitoring, accompanying and financing the participation in PROMOTE of identified SMEs with high growth potential to facilitate their access to national and international markets through this high-impact promotion. Corporate citizens are honoured and publicly thanked on the occasion of the Official PROMOTE Day.

We are interested in financing the participation of SMEs in PROMOTE

PARTNERSHIPS WITH THE MANDATED ORGANISER

PROMOTE generates real opportunities for visibility and promotion of your company's image through innovative Partnership formulas with the mandated Organiser who qualifies you as a "PROMOTE Partner" with numerous positional and functional advantages, including extensive and exceptional coverage by national and international partner media.

We are interested in being a PROMOTE Partner

EXTRACT FROM THE EXHIBITION RULES

REGULATION IN FORCE

By signing and submitting this Exhibition Contract, the Exhibitor acknowledges the binding nature of the Exhibition Regulations, the General Conditions of the Exhibition Contract and the Charter of Good Exhibition Practices which govern the organisation of PROMOTE. However, the Organiser reserves the right to prescribe and enforce, if circumstances so require, more extensive provisions and guidelines in the general interest.

PAYMENT CONDITIONS AND INSTALMENT

To guarantee the allocation of his stand or bare space and the related services ordered, the Exhibitor is required to pay the amount of his invoice or to make an advance payment of an amount of his choice (> 20% of the invoice) and to propose a payment schedule running until 15 January 2024, last deadline. Prior to full payment of the participation invoice by the Exhibitor, his admission and installation on the site remain pending, the Exhibition Contract having the sole value of an intention to participate. The services ordered through the dated, signed and sealed EC are only payable to the appointed Organiser once the corresponding invoice has been paid in full.

CONFIRMATION OF THE EXHIBITION CONTRACT

The Exhibition Contract is confirmed after full payment of the invoice due. A confirmation of the Exhibition Contract is sent to the Exhibitor with an indication of the physical positioning of his stand or bare space and a statement of all the services ordered, thus lifting the reservation of admission and location and enabling the Exhibitor to obtain his Entry Voucher during the stand fitting period.

TERMS OF PAYMENT

They are clearly indicated at the bottom of each invoice issued by the Mandated Organiser.

BREACH OF THE EXHIBITION CONTRACT

The Exhibitor who wishes to terminate the confirmed Exhibition Contract binding him to the Organiser is required to make this known exclusively by post, postage paid, **by 15 January 2024** at the latest. This unilateral initiative to terminate the Exhibition Contract does not completely release the Exhibitor from its commitments. If the breach is formulated before **15 January 2024**, a **30%** deduction on the total amount invoiced will remain due. **After 15 January 2024**, the Exhibitor shall remain liable for all services subscribed and invoiced.

INSURANCES

The mandated Organiser is covered for the risk of Civil Liability for the Organiser and Damage to Property concerning him. Exhibitors who have not insured their goods to be exhibited at PROMOTE 2024 and covered their Civil Liability by insurance are strongly encouraged to do so by taking out ad hoc insurance for the PROMOTE 2024 period only. The Organiser has negotiated favourable conditions with a partner insurer (available on our website or at the PROMOTE Secretariat). **Under no circumstances can the Organiser be held responsible for theft or damage to an exhibitor's stand, day or night.**

APPLICABLE LAW

Toute circonstance exogène, et de manière générale, tout cas de force majeure qui viendrait empêcher la manifestation d'avoir lieu ou en restreindre l'importance, est inopposable à l'Organisateur, et l'Exposant ne pourra prétendre à aucune indemnité. Pour toute difficulté qui pourrait naître de l'interprétation et de l'exécution du présent Contrat d'Exposition, la version française fait foi. Les parties acceptent de régler tout litige par la concertation. Et si besoin, le litige sera réglé par l'arbitrage de trois personnalités désignées par les parties. L'Organisateur agira avec l'accord et l'appui de son Mandant Officiel.

ADDITIONAL CONDITIONS

After the allocation of his stand or bare space, the Exhibitor will receive additional information to prepare his participation in the Exhibition through information notes or public information meetings. Special technical services or stand fitting will only be carried out on the basis of orders actually placed using the order forms provided for this purpose and available on our website or from the Organiser's Secretariat.

DECLARATION OF COMMITMENT AND CONFIRMATION

By signing and stamping, the Exhibitor acknowledges having received, read and accepted the terms of the Exhibition Regulations and of this Exhibition Contract.

Upon receipt of this form, an invoice is supplied.
